Charter

Tired of having to get to the airport hours ahead of time, hunt for a place to park, wait in long lines, and deal with delays due to congestion and other hassles? When your time is valuable, **fly direct!** Depart with no lines and return on **your schedule**. At Heart of Virginia Aviation, we eliminate the headaches. We have ample parking and a modern Cessna Grand Caravan that is equipped with the latest technology and leather interior. We provide air charter services to locations throughout the United States. We can also arrange ground transportation, hotel accommodations, and other services.

Whether you're flying for business or pleasure, HOVA can provide the air charter services you need! Our staff of aviation professionals has amassed years of experience in every facet of the industry, and their goal is to afford you the respect you deserve by providing the highest level of customer service.

Cessna Grand Caravan

The Caravan has 340 cubic feet (9.6 m3) of cabin space for up to 8 passengers. You can carry a combination of passengers and cargo, including suitcases, golf clubs, and anything else needed for business or recreation. Refreshments, coffee, and snacks are provided on every flight; catering is available.

Supple, fully reclining leather seating, exquisite wood trim and cabinetry, and elegant design options are all part of the Caravan experience. The cabin is equipped with tables and 110v outlets so you can use your laptop, charge your cell phone, and stay close to your business while enroute.

Safety

Consider 11,000,000 flight hours and counting! In more than 80 years of service, Cessna Aircraft Company has learned about safety. Today's Cessna Grand Caravan has evolved through years of meticulous quality testing and pilot feedback. Cessna's determined effort for improved safety has resulted in peace of mind and confidence when you fly in their aircraft.
